

**Town of Bethel
Child Care/Day Care Survey**

The Town of Bethel is conducting a short survey of its residents to determine the needs of the Town of Bethel Community for child care before and after school at the Dr. Duggan School.

In order to establish and sponsor this program, we need to know how many families would be in need of this service. A separate program we would also like to consider in the near future is Daycare.

Once the needs of the community are determined we can then establish the criteria such as cost, transportation, hours, days, etc.

Please complete the confidential survey if you are interested in either program and return no later than **August 2, 2010** to: Town of Bethel, Attn: Town Supervisor, P.O. Box 300, White Lake, NY 12786. This survey is also available on the Town Website at www.town.bethel.ny.us and at Town Hall.
